

# GSA Schedule Opportunities

## Environmental Services

### Overview:

This schedule is designed to enable government agencies to meet their environmental needs. Contractors will provide expert advice, assistance, guidance or counseling related to agencies' needs. This may include studies, analysis and documentation of results. Training courses may include, but are not limited to, conventional methods and computer-based interactive courses, customized or standardized, on or off site. These services do not presently include construction, architect - engineering and/or design or any handling/disposal and/or transportation of nuclear or radioactive waste. Services provided on this schedule include:

- Environmental Planning Services and Documentation
- Environmental Compliance Services
- Environmental Occupational Training Services
- Waste Management Services
- Reclamation; Recycling and Disposal Services
- Remote Advisory Services
- Geographic Information Services
- Remediation Services
